

Some Useful Resources:

1. "Computer Programming 2nd Part" written by "Tamim Shahriar Subeen". Publisher: Dimik Prokashoni, 2016. [Rokomari Link](#)
2. "Computer Programming Part 3 Introduction to Data Structure & Algorithm" written by "Tamim Shahriar Subeen". Publisher: Dimik Prokashoni, 2018. [Rokomari Link](#)
3. "Graph Algorithm" written by "Shafaet Ashraf". Publisher: Dimik Prokashoni, 2016. [Rokomari Link](#) (An alternative for this book is [Shafaets Blog](#))
4. For practicing Data Structures: [geeksforgeeks](#)
5. For visualizing different algorithms <https://visualgo.net/en>
6. Youtube playlists
 - a. "Data structures and Algorithms in Bangla" by "Tamim Shahriar". Link: <https://bit.ly/2JOvbsL> (An alternative for Resource 2)
 - b. "Data structures" by "mycodeschool". [Link](#)
 - c. "Pointers in C/C++" by "mycodeschool". [Link](#) (must watch)
7. For revising C/C++ with exercises use [this link](#).
